The original Village Inn Pizza opened in 1968 on Grand Ave. Known for its A-frame building as much as it was for its original from scratch, thin crust pizza.

When the pizzeria closed in 2020, it was purchased by the Smith and Solheim Families. It was important that everything was to stay as authentic as possible. Look around the dining room and you will see the original tables, chairs, decor and glass light fixtures. In the back we still have the oven and original mixer from 1968.

The original recipes are still used, the dough fresh every night, and pizza sauce made in house.

Many of our customers tell stories and memories of the original Village Inn, from first dates to marriage proposals, graduations, and birthdays. We are fortunate and proud to be trusted continuing the legacy of Village Inn Pizza. We are thankful to you, our customers, for your loyalty. We look forward to making more memories with you all.

Thank you

Smith and Solheim Families
